MEMORANDUM FOR THE RECORD

15 March 1957

SUBJECT: Expansion of the Records Center

1. On 12 March I explored with the Records Officer of Atomic Energy Commission when they would relinquish the use of the building now occupied for them as a warehouse at 501 26th Street.
2. On 15 March Mr. Pugliese advised me that it is their plan to relinquish the use of this building on 11 November 1957. He estimates that there are approximately 5,000 square feet of space utilized by them. Further information in this connection may be obtained from Mr. Rex Butts on Extension 216 at the Atomic Energy Commission.
3. [REDACTED] Real Estate and Construction Division, has been advised accordingly.
